

Celebrated Our 20th Anniversary

Twenty years is a big deal! From celebrity birthday videos and a giant birthday party, to enhanced signature events and new programs, our 20th year was one we will never forget! Thank you to all of our friends, partners, donors, participants, and families.

Teens Engaged at Teen2Teen

Our teens enjoy developing friendships around common interests while they eat and have fun together each month. We've created a safe place for them to come as they are, and boy, do they come! Adults on the spectrum attend to volunteer, too.

Participants Become Leaders

From Spiderman vs Batman, to Let's Explore Restaurants and speaking to crowds at public events, participants are growing in confidence and leading their own groups and their own paths. This is Quality of Life in action!

Green Tea and Girl Power

The ladies showed up and showed off their voices. It was a beautiful luncheon filled with the honest and unique perspectives of teens with autism along with the special women in their lives. And our adult ladies enjoyed holiday events, made jewelry, and held housewarming parties.

PieceWalk and Run Lucky

Friends, families, and communities celebrated our 20th with the best parties at the PieceWalks. Our runner friends celebrated that we were named the new Run Lucky 5K beneficiary! One mile for fun or 3.1 for a medal, we've got something for everyone.

10 Highlights From 2022

Kochendorfer Cans Our Art

After attending our Duets art show, Kochendorfer Brewing Co. commissioned original art from a Duets pair for their Sour Wheat cans and held a launch party at their Brewery. The *Art of Beer* kicked off Autism Acceptance Month in April.

Named PGA Tour Beneficiary

Compliance Solutions, Inc. named us their Charity of Choice AND the charity partner for the PGA Korn Ferry Compliance Solutions Championship. We look forward to expanding our audience, programs, and opportunities through this extraordinary experience.

More Than 700 Volunteers

The heart and soul of our programs and events are our dedicated volunteers. From BLAST pen-pals to Duets artists and PieceWalk committee members, volunteers make our world go round. Our friends at Life.Church provide about 200 volunteers per month!

Young Adults Mixed-N-Mingled

We found the *secret sauce*, and it's the creation of a safe and fun place to make friends. We have families driving from the Texas border so their child can participate. We are seeing lives being changed: our participants and the staff at Chicken N Pickle.

Doing Great Things in Tulsa

T-Town is rocking it! With social groups for teens and adults, sensory-friendly holiday events, the PieceWalk, family events, Drive Fore Autism, and an active parent network, great things are happening and Quality of Life is improving for our friends in the Tulsa area.
