Philosophy & Core Values

We believe every person with autism has something to offer their community.

With creative interest-based connections, individuals with autism can contribute and find meaning and purpose.

We work with parents and partners **to develop innovative projects with big impacts.**

Our programs are grounded in kindness, providing a safe place to share experiences, challenges, and dreams.

We seize opportunities to reach the community and state with a **positive autism message.**

Each year since 2002, your donations make it possible to:

Offer
85 Free or nearly free programs

Serve
4,500 directly impacted

Engage
700 volunteers

100% donation-based
What we do is funded by donations from individuals, corporations and foundations.

Autism
OKLAHOMA.ORG

Creating connections and opportunities for autistic children, teens, adults, and their families to have more happiness and **a higher quality of life, for life.**

#ConnecttheSpectrum

Families

Families are often excluded from life activities because of the behavioral challenges of autism.

Creating connections for families and empowering families to try new things

Protecting families with life-saving safety programs

Individuals

Nearly two-thirds of children with autism have been bullied. *Self-injurious behaviors and thoughts of self-harm are common.*

Providing opportunities to help individuals discover their talents

Assisting individuals in expanding their personal relationships

Building interest programs to support life skills

Community

50-75% of the 5.6 million autistic adults in the U.S. are **unemployed or underemployed.**

Collaborating with community partners so participants can access and enjoy their services

Organizing Oklahoma's largest annual autism outreach event

Helping organizations understand autism, embrace differences, and become part of the solution
